WUF Objectives

*The United Nations General Assembly in its resolution 69/226 recognizes the WUF as **the foremost global arena** for interaction among policymakers, local government leaders, non-governmental organisations and expert practitioners of **sustainable urban development and human settlements.***

Raise **awareness of sustainable urbanisation** among stakeholders and constituencies, including the general public

Improve the **collective knowledge of sustainable urbanisation** through inclusive open debates, sharing of lessons learned and the exchange of best practices and good policies

Increase **coordination and cooperation** within the **UN System** and with different **stakeholders** and constituencies for an effective implementation of the New Urban Agenda and the urban dimension of the SDGs

Provide **substantive and strategic inputs** from multilateral organisations, national and subnational governments and stakeholders into the **reporting** of the implementation of the New Urban Agenda

Open & inclusive gathering

Inviting all who share the vision for better and smarter cities of the future

WUF brings together national leaders, ministers, UN representatives, women groups, mayors & governors, youth, academics, diplomats, community and business leaders, parliamentarians, local government groups, urban activists, and more.
